

To: Westbrook Council of Beach Association members

From: Lucy Nobile, Chairperson for petition re phase-in re-evaluation

RE: Petition to phase-in the Westbrook property re-evaluation

Please make copies of this petition and canvas your members to get as many signatures as you can. The person canvassing should sign the bottom of each page.

Please assign enough people to canvass your beach association. For example, if you have a large association, break the area down so each person only has to go to about 20 houses. Of course, we can only ask property owners to sign.

Then return the signed petitions to one of the following people or bring them to our August meeting, on Monday, August 7, 2006 at 7 pm in the Multi-media room at the Mulvey Municipal Center.

We have to have them all completed to present to the Westbrook Board of Selectmen at their September meeting at the very latest.

Thank you.
