SUBJECT: **SUMMARY OF RESULTS OF IMPORTANT MEETING
AUGUST 27, 2008**

Attached, as I promised, is a Summary of the Results of the Important Meeting on August 27, 2008 held at the Mulvey Municipal Center Multi-Purpose Room, including a PowerPoint presentation. Many of you have called me expressing your appreciation for this meeting and the fact that we can all work together on these issues.

If you have any reactions to this report, please email them to me at nbishop@westbrookct.us.

Important Note:

Since there are multiple pages with the PowerPoint presentation, I would request that if you are municipal employees or Chairmen of Boards, Commissions and Committees, that you stop by the Selectman's Office for a copy.
